small craft advisory in the afternoon. The crossing was more eventful this time, highlighted by surfing waves into the mainland beach.

T m so grateful for this incredible Odyssey. The sea caves forced me to slow down and smell the roses, so to speak. It was a trip I will never forget.

Follow the #OdysseyProject or view other odysseys inspired by the sea at odyssey.sperry.com.

Service d'exception pour un voyage d'exception. Clarté, professionnalisme, disponibilité, qualité et authenticité dans les échanges, les propositions (vraiment à l'écoute et n'hésite pas à modifier) adaptées et toujours avec grande réactivité, c'est ce que j'appelle de véritables professionnels. A recommander sans aucun doute! le voyage restera gravé dans nos mémoires...merci ! Avis voyageur vérifié par ekomi.

From Miami to Berlin, feted buildings and fresh developments are the talk of the town.

Merano Residences, London. Designed by renowned architect Graham Stirk of Rogers Stirk Harbour + Partners, this development featuring 40 private residences on the south side of the Thames offers stunning river views. The standout apartment is the three-bedroom penthouse with sizeable roof terrace (pictured). For more information see berkeleygroup.co.uk

Sherry Netherland Apartment, New York. To purchase a full-floor apartment the legendary Sherry Netherland is a rare opportunity, but here one is – a stately fifteen-room residence with two terraces – the larger Western one coming with a view over Central Park. Available through christiesrealestate.com
